VANCE KEVANTE ROBINSON)	

SUPPLEMENTAL ORDER ON MENTAL-HEALTH RELATED CONDITIONS
OF SUPERVISED RELEASE

During the sentencing hearing on July 29, 2021, the court considered the findings of defendant Vance Kevante Robinson's recent mental-health evaluation (Doc. 45-1), which was conducted by Dr. Adriana Flores. deficits, and his ability to cope in everyday life without a firearm.

(2) The United States Probation Office shall arrange, until further order of the court, for defendant Robinson to receive mental-health treatment, which shall include psychotherapy at least twice per month, to address the issues described above.

(3) The United States Probation Office shall arrange for defendant Robinson to re-enroll at the Dannon Project or another similar program, or shall alert the court if such a program is unavailable.
